Education

Mechanical Engineering, B.Sc. (240 ECTS)

10.2004-10.2008

Grade 9.02/10.00

[Institute of Thermal technology and thermal power, Faculty of Mechanical Engineering, Ss. Cyril and Methodius University in Skopje, Macedonia](#)

Award for high average grade during studies

(Top 5% of the class)

Studies focused on Thermal engineering, Thermodynamics, Heat and Mass transfer, technical planning, HVAC, Compressors, Fluid Dynamics.

Served as Lab Assistant for Computers and

Programming class for 2 years, responsible for assignment grading, training, class review sessions.

Conducted training, colloquies, exams in accordance with Bologna ECTS System.

Member of AEGEE, MENSA, IAESTE, BEST, Thermal Engineers Society Macedonia

Mechanical Engineering, M.Sc.

Ongoing

[Institute of Thermal technology and thermal power, Faculty of Mechanical Engineering, Ss. Cyril and Methodius University in Skopje, Macedonia](#)

Specialization in Compressors, Project Management, Energy Efficiency, HVAC, Research, Analysis and simulations, Design, Technical Audits, Management of Thermal Systems

MBA, Executive Master of Business Administration

10.2017-2020

[The University of Sheffield](#)

MBA in General Management

MLS4ENG Management and Leadership Skills for Engineers

1 year Postgraduate Level Course-License, Erasmus+ Project, 9 subjects: Leadership, Mindfulness, Organizational Behavior, Emotional Intelligence, Managing Finance and Risks, Project Management, Marketing Management, Time and Stress Management and Strategic Management

Certified Energy Auditor

Technical expert in the field of energy efficiency improvement

1 year Postgraduate Level Course-License

Certificate in Advanced Project Management

PMP Exam Preparation

European Energy Manager EUREM

1 year Postgraduate Level Course-License,

IHK Nuremberg, 10 subjects

UNIDO Technical Expert in Energy Management

UNIDO Technical Expert in Steam Systems Optimization, user training
UNIDO Technical Expert in Compressed Air Systems Optimization
Data Center University Associate Development Path - Schneider Electric
Energy University
Professional Energy Skills in NZEB (Near Zero Energy) Training,
Postgraduate level training course in Near-Zero Buildings (NZEB) (2016)
DAT101x: Data Science Orientation Certificate
